

(25°C) **12Ah Cylindrical (World PAT.) or Prismatic (World PAT.) Cell** PAT. C-LiFePO₄

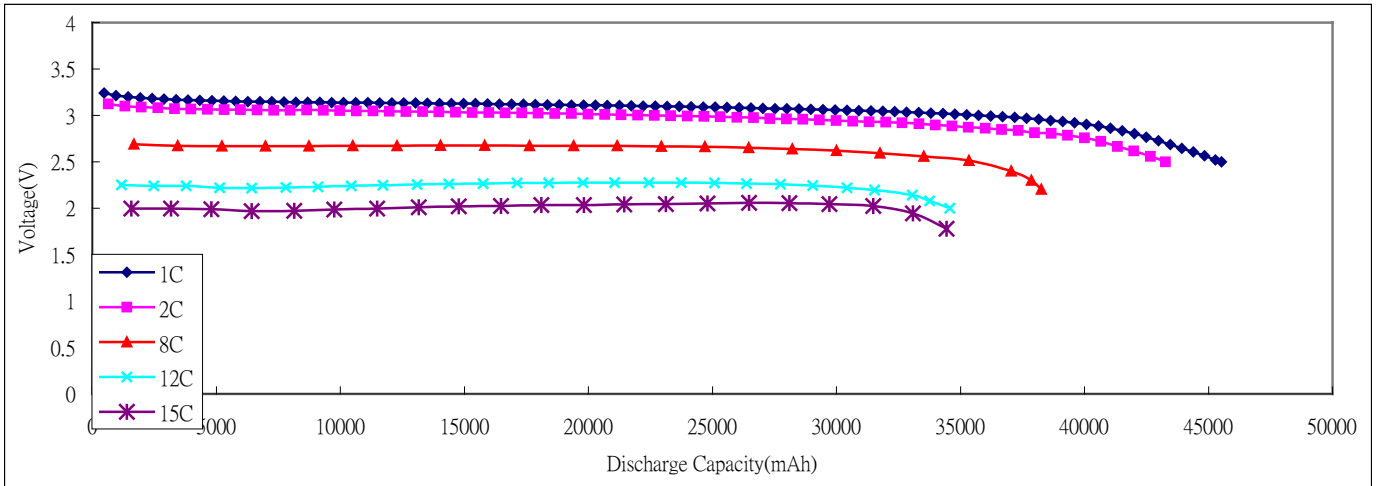

(25°C) **22Ah Cylindrical (World PAT.) or Prismatic (World PAT.) Cell** PAT. C-LiFePO₄

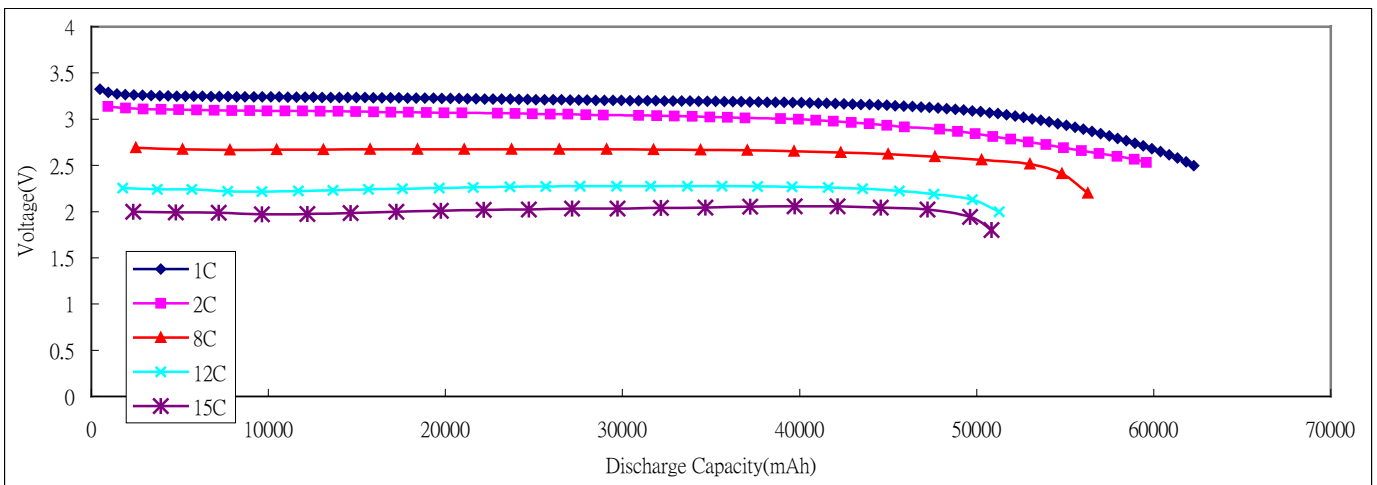

(25°C) **35Ah Cylindrical (World PAT.) or Prismatic (World PAT.) Cell** PAT. C-LiFePO₄

(25°C) **42Ah Cylindrical (World PAT.) or Prismatic (World PAT.) Cell** PAT. C-LiFePO₄

(25°C) **60Ah Cylindrical (World PAT.) or Prismatic (World PAT.) Cell** PAT. C-LiFePO₄

- ※ The performances of the un-shown battery cells can be acquired upon requests.
- ※ The battery has been filed the invention patent applications worldwide, including Asia, America, Europe, etc. Please be aware that the patents including all technologies of the key component of the battery as well as independent patent for complete assembled battery.
